

Linde India Limited Familiarization Programmes for Directors

Preamble

As a member of The Linde plc Group, the Company believes that an appropriate induction programme for new Directors and ongoing training for existing Directors makes a significant contribution to the maintenance of high corporate governance standards. The Managing Director and the Company Secretary are jointly responsible for ensuring that such induction and training programmes are provided to Directors.

Induction

The induction process is designed to:

- d. develop understanding of Company's people and its key stakeholder relationships.

The Company Secretary shall provide the new Directors - Executive, Non-Executive and Independent Directors, with a briefing on their legal and regulatory responsibilities as Directors. This includes provision of a Directors' Induction kit containing general information on Company's Structure, Key Policies and Codes of the Company, Terms of Reference of the Various Committees of the Board, copy of the latest Annual Report, Memorandum and Articles of Association, Brief profile of the Board of Directors, Roles and Responsibilities of the Directors and necessary disclosure forms. An appointment letter is issued to every Independent Director of the Company incorporating the roles, time commitment, duties and liabilities, performance evaluation process, code of conduct, remuneration, terms of reference of the various Board Committees etc. for information and acceptance.

The induction briefing for Non-Executive Independent Directors includes interactive sessions with Management Committee Members, Business and Functional heads, Auditors and a visit to any plant of the Company.

Training

The Company Secretary keeps the Board briefed on legal and regulatory development relevant to the Company and the Directors. In consultation with the Chairman, the Managing Director, the Chief Financial Officer and the Company Secretary ensure that the programme to familiarise the Non-Executive Directors with the business is maintained over time and kept relevant to the needs of the individuals involved and the Board as a whole. The Company Secretary shall be responsible for implementation of such plan and the Chairman shall regularly review the same.

In addition to the induction and training provided as part of the familiarization programme, the Independent Directors are also taken through various business and functional presentations which, inter alia, cover regulatory updates, risk management, safety, etc. in the Audit Committee and Board meetings, besides Board Strategy workshop to discuss and review the strategy of the Company.
