(i) This statement was placed before the Board of Directors at their meeting held on 11 November 2020 and has been approved for release.

(ii) The financial results and performance for the quarter and nine months ended 30 Septmber 2020 are not comparable with the figures for the previous year in view of the divestment of the "South Region Divestment Business", which was completed on 16 December 2019.

The Competition Commission of India (CCI) had, vide, its Order dated 8 June 2020 approved the divestment of the "Belloxy Divestment Business" to Inox Air Products Pvt. Ltd. as well as the draft of the Business Transfer Agreement and granted time until 8 September 2020 to complete the aforesaid divestment. However, Inox Air Products Pvt. Ltd. has subsequently confirmed its inability to acquire the "Belloxy Divestment Business". The Company has informed the same to the CCI seeking extension of the "Hold Separate arrangement" for the balance tenure of the Gas Supply Agreement dated 22 November 2004, i.e., up to November 2021. Until CCI accepts the Company's application and modifies its order dated 6 September 2018, the divestment process is continuing and the "Belloxy Divestment Business" remains an Asset Held for Sale.

(iii) The Company has adopted Ind AS 116 effective 1st January 2020, using the modified retrospective method and has applied the same to its leases with cumulative impact recognized on the date of its initial application (1st January 2020). Accordingly, the previous period figures have not been restated.

This has resulted in recognizing a right-of-use asset of Rs 249.36 million by de-recognizing the prepayments of Rs. 159.57 million and creating a corresponding lease liability of Rs 115.46 million. The difference of Rs. 16.70 million (net of deferred tax of Rs 8.97 million) has been adjusted to retained earnings as at 1st January 2020.

In the statement of profit and loss for the current period, operating lease expenses which were recognized as other expenses in previous periods are now recognized as depreciation expenses for the right-of-use assets and finance cost for interest accrued on lease liability. The adoption of this standard did not have any significant impact on the profit for the period and earnings per share.

(iv) The Company's operations and financial results for the last quarter June 2020 had been adversely impacted by COVID-19 pandemic. However, there is no significant impact of the same on the current quarter results.

(v) The Consolidated Figures for the corresponding quarter and nine months ended 30 September 2019 have been reviewed by Board of Directors of the Company but has not been subjected to Limited Review by the Statutory Auditors.

Note: The above is an extract of the detailed format of Quarterly/Annual Financial Results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
